

Testimonials

"John fabricated and installed a pair of built-in cabinets for my home. The work was exceptional and the pricing was very good. I also hired him to refinish a couple of pieces of furniture and he did a great job." - Henry Forster; Clarksburg, MD

"John worked closely with us on our kitchen remodel. He provided us with amazing visual designs and also worked with our ideas. The end result was timely and gorgeous. We just recently used Linton Cabinet Shop again for another project and we are so thrilled with the results. Can't wait to use John again!" - Marni Hotchkiss; Bethesda, MD

"I have had John Linton design and build cabinets for two kitchens. He has constructed other built ins for me in a bathroom, my husband's conference room and at my office. His work is meticulous and he is clear about his design and pricing. I always loved seeing the computer design of the project. He is good with using technology so that the customer can really see what the final outcome will be. He meets his deadlines and is very easy to work with. You will love his work!" - Colette Lavanceau; Laurel, MD

"Hired John to make and install new kitchen cabinets. He had come highly recommended by a friend. John did a beautiful job... cabinets look great, and he was a pleasure to do business with." - Lynn and Jay Katzen; Potomac, MD

"I have been working with Linton Cabinet for almost ten years. The quality of the cabinets is impeccable. There is nothing too custom, from custom finishes to special sizes and materials; Linton Cabinet produces unique, heirloom-quality goods for the home." - Katie Atkinson; JB Interiors, Frederick, MD

"John, and his father before him, has done many cabinet jobs over the years for me from my beautiful kitchen, utility room storage, and total remodel of master bedroom cabinetry and bathrooms. His work is outstanding! I would highly recommend him to anyone looking for great cabinetry - the quality for the price is excellent! John's workmanship is beyond what you expect and he is totally attuned to what the customer needs and wants. The BEST!!" - Cecilia Bach; Frederick, MD

"Linton Cabinet Shop provided complete service from design, fabrication and installation. The work involved custom cabinetry and millwork for my family room. They provided several suggestions to my basic design ideas, which improved the function and use. The finish for both paint and stained wood was of excellent quality, as was their workmanship. I highly recommend them." - Jon Bauer; Thurmont, MD

"John and his team manufactured and installed our custom kitchen cabinets. The workmanship, detail orientation, in-depth knowledge and trustworthiness of John and his team is without match. I recommend him to anyone." – Robert Schwartz; Gaithersburg, MD

"John has provided expert cabinet manufacturing with great ideas and custom applications. John has always been a sincere person and has made sure that his workmanship was always of top quality along with tremendous capabilities. I would always recommend Linton Cabinet Shop for any and all wood working projects." – Paul Jacobson; Gaithersburg, MD

"John delivered a very beautiful custom built in cabinet for my family room - his work was exceptional. I would definitely hire John again and recommend his work to anyone considering a custom cabinet project." – Jane Christ; Middletown, MD

"It has been a pleasure to work with John and Linton Cabinetry on a number of projects over the years. He is an amazing cabinet maker with an eye for detail and design. I have certainly enjoyed teaming with him...and my clients have been very happy with the process and the final product." – Meredith Erickson; Tuscan Blue Design, Frederick, MD

"John has been my primary cabinet maker for over 20 years; I continue to use him because he creates the best product on the market. His pricing is very competitive, and his results are outstanding. I would never consider using anyone else." – Jerry Stonemetz; Baltimore, MD

"We hired John to design and build a set of built-ins, floor-to-ceiling bookshelves when we first bought our home in Frederick. We are still getting compliments on them! John was a consummate professional -- he delivered on time, on budget and without a hitch. And his work blends beautifully with our home's architecture. I would recommend him for fine cabinetry work without hesitation." - Art Silverman; Frederick, MD

"John did a fantastic job for us from every perspective. We can't recommend him highly enough. His work in our family room and kitchen is of superior quality and we are especially pleased with our media cabinetry and bar area. We feel that John is one of Frederick's most talented craftsmen and we know from experience that he is industrious, a perfectionist and creates a beautiful product. For the quality work that John does, he is also an excellent value. We have tremendous respect for John and for the job he does." - Randy Garrett; Frederick, MD
